LIMITED WARRANTY

CMW Equipment Holdings Limited warrants its products to be free from defects in materials and workmanship. CMW's sole obligation under this warranty shall be to repair, replace, or refund to its buyer the price of the defective product or component. All such repairs, refunds and replacements are subject to such rules, terms and conditions as CMW may promulgate from time to time.

DISCLAIMER OF OTHER WARRANTIES

The foregoing limited warranty is in lieu of all other warranties, express or implied, including merchantability or fitness for a particular purpose. In no event shall CMW be liable for indirect, consequential, or special damages of any nature whatsoever.

Note - Any photographs or graphics containing Golf Club, Company or any other logos, are for illustration purposes only and do not imply any endorsement of the products shown.

Tee Turf & Super Tee Turf

Tee Turf is an artificial grass designed for teeing areas that allows the golfer to drive from any preferred position. The 45mm pile height allows for the use of long or short standard tee pegs. All the surface components are fully U.V. and colour stabilised for long life in all climates. **Tee Turf** requires a sand & rubber infill but is easy to apply. 25kg of rubber granules (available from CMW) and 50kg of kiln dried sand will dress 3 square metres.

Super Tee Turf is an ultra-dense nylon artificial grass. Like Tee Turf it is designed for teeing areas and allows the golfer to drive from any preferred position. The 36mm pile is dense enough to support a tee peg and durable enough to drive straight off the surface. **Super Tee Turf** does not require an infill. Fixings or adhesive required depending on surface.

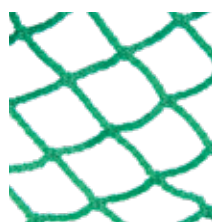

Pathway Turf & Super Pathway Turf

Pathway Turf is a synthetic grass for golf course pathways. It has a 20mm open pile and is fully U.V. and colour stabilised. The tufted pile of grass is filled to within 2-3mm of the surface with kiln-dried sand (approx. 20kg per square metre). This sand holds the grass in place, eliminating the need for nails and other fixings. The sand also protects the tufts from spiked shoes and provides a natural appearance to the finished installation.

Super Pathway Turf is a non sand-filled alternative to Pathway Turf. It is denser, having a 12mm curled pile, and is hardwearing and spike resistant. It is ideal for walkways near the clubhouse as it creates a clean, slip resistant path, without the risk of treading sand and dirt inside. Fixings or adhesive required, depending on surface.

CMW Signs

All signs are made from heavy gauge aluminium sheet, pre-treated and then polyester powder coated.

STANDARD STAKES ARE SUPPLIED AND INCLUDED IN THE PRICE.

Our most popular sized signs come in 2 types - standard & customised.

Standard signs are cheaper as the signs are already set-up with the best sellers usually in stock. The standard text is listed below.

Standard signs come in 2 colours:

- White with black text
- Green with white text

Any other colour of sign or text outside of the standard text will be charged at the customised sign price.

LOGOS CAN BE INCORPORATED ONTO ALL CUSTOMISED SIGNS

Loose arrows available for an extra £1.50

Sign colours include: White red yellow royal blue navy blue and green. However, virtually any background colour is achievable (please call for details).

CMW ARE PLEASED TO OFFER YOU BULK BUY DISCOUNTS! IF YOU ORDER 4 OR MORE OF A PARTICULAR SIGN (WITH THE SAME TEXT AND SIZE), YOU ARE ELIGIBLE FOR SAVINGS! SEE THE MATRICES TO THE RIGHT

Turf Renovation

1. Turf Renovator (Square)

9" square turf renovator with four knock down blades.

D-39-01 £195.00
D-39-02 Replacement Blades (each) £36.50

2. Turf Renovator (Hexagonal)

This excellent tool will cut hexagonal pieces of turf with ease (7" wide, to a depth of 3-4"). Cut segments will stack inside the tool allowing for quick operation and easy transportation.

N-39-01 £195.00

3. Turfing Iron

CMW heavy duty turfing iron.

D-39-03 £89.00

4. Soil Sampler

A heavy duty, hard wearing soil sampler. 1" diameter.

N-39-02 Zinc Plated Steel £65.00
N-39-13 Stainless Steel £92.50

4b. Soil Profile Sampler

Heavy duty shovel-type sampler with sharpened and tapered blade to give a clean cut with the minimum of disturbance. Hinged blade makes examination of the profile simple. Engineered and tested in consultation with leading agronomists.

N-39-09 £149.00

5. Aeration Fork

Can be used with either solid or hollow tines. Tines supplied separately.

N-39-03 Aeration Fork Frame £69.00
N-39-04 Solid Tines (Each) £14.00
N-39-05 Hollow Tines (Each) £19.80

6. Rotary Hand Slotters

Used for overseeding worn areas on all fine turf areas. The rotary unit will not tear up the surface and the correct depth is obtained by the stops at each end of the slotter reel. Head is 32.5cm wide, with the 2 furthest spikes 25cm apart. Complete with 180cm handle.

N-39-06 Seed Slotter £208.95
N-39-07 Spiker £208.95

7. Soil Penetrometer

This impressive tool helps to measure the compaction of your soil. Instructions for use are provided. Supplied with handy storage case.

N-39-08 £247.50

8. Rapid Plate Seed Slotter

High quality tool with a massive 147 individual 5mm x 4mm tapered spikes on a 300mm x 300mm plate. Ideal for fine turf areas using bent grass seed. Easy and very quick to use. Aids germination to maximise growth and repair.

N-39-10 £185.00

9. Turf Slitter

Renew, repair and replace turf. Consistent depth of cut, 13cm wide x 2cm deep approx

N-39-11 £89.00

10. Turf Plugger

Replace worn areas with healthy turf. Unique design with extraction handle. Sod size 75mm dia. x 60mm deep.

N-39-12 £139.00

11. Sprinkler / Hose Parts - See table

12. Pellet Pro Applicator Gun

This heavy-duty surfactant applicator has a high-flow composite/stainless steel valve and a precision Cloudburst nozzle to produce the finest wetting agent gun available. The Pellet Pro accepts our wetting agent tablets and is designed to provide powerful, yet ultra-soft spray when watering or applying surfactants.

N-45-19 **£179.00**

13. Wetting Agent Pellets – 6 pack

A new improved wetter formulation using technology for use in the applicator gun. Each pellet treats 4-6 greens.

N-45-20 **£79.00**

13b. Mega Pellet 2.5kg

Concentrated wetting tablet to be used in any irrigation system where some form of water holding tank is in place.

Application: One tablet in a minimum of 2500 litres of water. One tablet will treat approx. 1 hectare of turf.

N-45-20M **£79.00**

14. Rain Gauge

Simple to use rain gauge. Measuring gradients of 1mm / 1 litre per m². Scale also present on the revolving rim to record precipitations for a longer period.

N-45-41 **£18.95**

16. Indicator Dye 1ltr

Indicator Blue spray pattern dye is non-staining and helps to eliminate blocked nozzles, skipping or overlapping of treated areas and also helps to indicate drift. The dye will last for 1-2 days and will breakdown in rainfall or sunlight. Mix 25ml per 10 litres of spray solution.

N-45-23 **£17.00**

Protective Headwear

1. JSP MkII Safety Helmet

Conforms to EN397. Plastic 6 Point Suspension harness with replaceable foam sweatband. Slip adjustment to fit. UV stabilised high density polyethylene shell. N-46-01 **£7.65**

1b. Chainsaw Safety Combination Helmet

Safety combi helmet c/w mesh visor, unique ratchet adjusting system for easy fit. Helmet CE approved to EN397, Earmuffs EN352-3, Mesh Visor EN1731. N-49-02 **£41.95**

2. Visor

Conforms to EN166 1.B.3.9 Made from rigid polypropylene with ratchet head harness. Supplied with 8" acetate visor.

N-46-02 **Visor Complete** **£29.00**

3. Optime III H540 Headband Ear Muff

Conforms to EN 352-1 H=40 M=32 L=23 SNR=35 Effective protection and best comfort are the hallmarks of Optime III. Developed for use in extremely noisy environments, the protection is based on technology that minimises resonance in the holder casings. This results in maximum high-frequency attenuation.

N-46-05 **£31.00**

4. Standard Ear Muff

Conforms to EN 352-1 H=30 M=30 L=12 SNR=23 Lightweight and comfortable. Acoustic foam fill. Suitable for where noise is a problem or nuisance rather than a hazard.

N-46-06 **£8.05**

5. Foam Earplugs

Conforms to EN 352-2 H=30 M=24 L=22 SNR=28 Made from a soft energy absorbing polymer foam which provides excellent hearing protection and all-day comfort. 250 pairs per box.

N-46-07 **Push in Ear Plugs** **£55.00**

6. Deluxe Safety Goggles

Conforms to EN 166.K & N Rating. Can be worn over any prescription spectacles thanks to its spherical lens. Category III PPE.

N-46-08 **£12.05**

7. Impact Direct Vent Safety Goggle

Conforms to EN166 1.B Large bodied profile for widest possible vision and the advantage of lightweight style for comfort. Flexible PVC body giving soft contact face seal that forms a good protective fit. G.P.goggles with direct vents will not prevent ingress of dust or particles.

N-46-09 **£3.45**

8. Safety Spectacles

Conforms to EN 166.1.FT Economical single polycarbonate lens wraparound style. Moulded browguard and vented side shields.

N-46-10 **£3.45**

9. Sport Grey Lens Safety Spectacles

Conforms to EN 166 1.F and EN 172 Single piece polycarbonate anti-scratch lens. Lightweight at just 21g.

N-46-11 **£10.50**

10. Deluxe Safety Spectacles

Conforms to EN 166 1.F Sleek, close fitting, style conscious safety spectacles with synthetic rubber side arm grips for comfort. Scratch resistant polycarbonate lens.

N-46-12 **£9.95**

11. Half Mask Respirator (Twin filter)

Fully adjustable four point cradle harness. Low profile angled filters for minimum visual impairment. Low resistance exhalation valve to reduce heat and moisture build up. Durable thermoplastic rubber mask for superior fit to most face shapes. This mask accepts any Force 8 Filters (sold separately).

N-46-16 **Mask Only** **£21.50**
N-46-17 **ABEK1 Twin Filter Pack** **£21.00**
N-46-18 **ABEK1P3 Twin Filter Pack** **£47.00**

12. Dust Mask

Conforms to REGULATION 2016/425 - EN 149:2001+A1 2009 CE. BFE >=95%. This disposable respirator provides protection against fine dusts, water based mists and oil based mists. Elasticated ear loops and nose bridge bar give a good and comfortable fit.

N-46-15 **Dust Mask (5 Pack)** **£10.25**

CMW TERMS & CONDITIONS

PAYMENT: Payment for Account Holders to be settled no later than 30 days following the date of invoice. For non-account holders, payment at the time of order is accepted in the form of Cash, Cheque, BACS (online payment) & Credit or Debit Card. Minimum order value is £15.00 net.

CARRIAGE: Our standard carriage to a business address is £16.50 up to 20kg (UK mainland excluding the Scottish Highlands). Additional weight is charged per kilo. Carriage charges are subject to change at any time. Quotes available on request. Additional charges may apply for volumisation (cubing) and when delivering to residential addresses. On the occasions when our carrier retrospectively imposes volumisation (cubing), we reserve the right to invoice separately for any additional charges that may apply. Customers wishing to collect goods may do so by prior arrangement.

VAT: All prices are exclusive of VAT. - VAT. charged at standard rate.

DELIVERIES & RETURNS: Goods must be checked carefully for any damage at the time of delivery. When receiving your order you must check your goods, including the quantity of boxes, before signing the delivery note or the driver's electronic pad. If there are any signs of damage, you must sign for as "Damaged" or refuse the delivery if the damage is significant. This is because you may be paying for a service that is insured but we cannot make a claim for a replacement or refund if you have not stated the box is damaged. Claims for damaged products that have been signed for as in good condition will not be accepted. CMW must be informed of any damage claims within 3 days of delivery. Claims notified after this period cannot be considered. A request to return unwanted goods must be made within 28 days of receipt of goods. Requests after this time will not be accepted. A 20% handling charge (+10% supplement on flag pins) will apply to all authorised returns. Refund or replacements may only be given once goods have been inspected by CMW. Customised items, e.g. printed flags, customised signs and some custom flag pins etc., cannot be returned unless they are faulty.

NON-DELIVERY: Non-delivery must be notified within 7 days of receipt of invoice. Claims notified after this period cannot be considered.

TITLE OF GOODS: CMW retains the title to all products until payment has been received in full. We reserve any right to reclaim any goods which remain unpaid with any costs incurred (including legal fees) being passed to the buyer.

TRADE DESCRIPTIONS: All weights, measurements, sizes, colours & materials shown in the catalogues & price lists may vary from time to time and should not be taken as exact specifications. For full details of any product, please contact us and we will be pleased to give you all the information you require. All prices (for goods and carriage) are believed to be correct at the time of going to print, but may be subject to alteration. Goods will be invoiced accordingly and orders are only accepted on current prices at date of order. Purchases made on CMW's website may be subject to different terms and conditions. See website for details.

Due to CMW's policy to continually improve our products, we reserve the right to alter product specifications at any time.
